

Co} connectivity
community.

**Welcome to the
connectivity community.**

Firstly, we'd like to **thank you** for joining.

The **Connectivity Community** was created by **Bulgin** to bring **engineers, designers & creatives** together.

Co } **connectivity**
community.

Looking for interesting **topics to read?
Links to **helpful** videos? A **forum** where you
can **share** current & past projects?
Want to contact a Bulgin **engineer** for **advice**?
Discuss wide-ranging topics with fellow members?**

If you answered **yes to any of these,
then you're in the **right** place.**

The **forum** element of The Connectivity Community is broken down into **three** main sections:

Ask a Question?

If you want to ask a question to the community, with its many experienced engineers and designers, do so through our discussion forums.

Connect With

Access our community of engineers, designers and creatives to start your discussions today.

Share Knowledge

If you have the know-how visit our discussion page and help answer the range of community questions.

Rest assured your data is safe.

Bulgin will only contact you regarding the latest forum articles - of course at any point you wish to no longer receive these emails, you can unsubscribe at any time.

The Connectivity Community was established in February 2018 - we plan to continue growing & moulding the community inline with the desires of our community members.

Your feedback is always welcome so reach out to us at blog@bulgin.com if you have any questions or feedback.

A hand holding a pen over a document, with a blue circular overlay containing text. The background is a blurred office setting with a computer monitor and desk.

**We look forward to your
contributions to the community.**
