

BVB01/A0320/78 Datasheet

Product Name // Vertical Power Entry Module 72.3mm  
Side Fixing Flange Mount C14 Cold Condition Inlet Integral  
Single Fused (PF0011) 6.3mm Tab Termination A0320 Filter  
(3A PS21/A L/C v2) Double Contact High Inrush Switch  
Marked I/O

| <div><div></div><div>Part codes prefixed BVA15, BVB15, BVA16, BVB16: PF0033 Twin Fused Inlet</div></div>                                       | <div><div></div><div>Choice of many other options as specified by individual part code, including indicators, illuminated switches, switch markings, etc</div></div> |

| // General Information:     |                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------|
| Product Display Title:      | Vertical Power Entry Module 67.5mm/81.5mm (part codes prefixed BVA) and 59mm/72.3mm (part codes prefixed BVB) |
| Product Family:             | IEC Connectors                                                                                                |
| Product Series:             | Power Entry Modules                                                                                           |
| Current Max:                | 3A                                                                                                            |
| Filter Type:                | 3A PS21/A L/C v2                                                                                              |
| Function:                   | C14 Inlets                                                                                                    |
| Fuseholder Inlet Type:      | Integral Single Fused                                                                                         |
| Iec Connector Components:   | None                                                                                                          |
| Iec Connector Mates With:   | PF0011                                                                                                        |
| Iec Filter Options:         | A0320                                                                                                         |
| Iec Vertical Module Height: | 72.3mm                                                                                                        |
| Inlet Type:                 | C14 Cold Condition Inlet                                                                                      |
| Switch Type:                | Double Contact High Inrush Marked I/O                                                                         |
| Voltage Max:                | 250V                                                                                                          |
