BXS012/1 Datasheet

Product Name // AA/R6 Size Panel Mounting Battery Holder, IP67 Sealed - 2 Cells

// Product Description:

- AA/R6 Sealed Flanged Panel Mount Battery Holders For 1-3
 Cells, IP67 Rated
 - Panel Mount Battery Holder
- O Front Panel Sealed to IP67 Dust and Waterproof
- O Solder Tag

Pin Layout Code:

Rohs Compliant:

0

- O Bayonet Cap with Finger/Coin Release
- O –30°C to +70°C Operating Temperature
- O UL94V-0 Flammability Rating
- O RoHS Compliant
- O Number of battery cells:
- O BXS011/1 (1 x AA Battery Holder Sealed)
- D BXS012/1 (2 x AA Battery Holder Sealed)
- D BXS013/1 (3 x AA Battery Holder Sealed)

// General Information: AA/R6 Sealed Flanged Panel Mount Battery Holders For 1-3 Cells, IP67 **Product Display Title:** Rated **Battery Holders Product Family: Product Series:** Front Panel Sealed to IP67 **Battery Holder Type:** Bayonet Cap With Finger Grip And Coin Slot Battery Type: **Body Material:** Nylon 66 - Glass Filled/Polyester (PE)/Polycarbonate (PC) Flamability Rating: UL94V-0 IP67 Ip Rating: Max Operating Temperature: +70°C -30°C Min Operating Temperature: 2 Cells Number Of Cells:
