BXS016 Datasheet

Product Name // D/R20 Size Panel Mounting Battery Holder, IP67 Sealed - 1 Cell

// Product Description:

- D/R20 Sealed Flanged Panel Mount Battery Holders For 1-3
 Cells, IP67 Rated
- O Panel Mount Battery Holder
- O Front Panel Sealed to IP67 Dust and Waterproof
- O Solder Tag
- O Bayonet Cap with Finger Release
- O -30°C to +70°C Operating Temperature

- O UL94V-0 Flammability Rating
- O RoHS Compliant
- O Number of battery cells:
- O BXS016 (1 x D Battery Holder Sealed)
- O BXS017 (2 x D Battery Holder Sealed)
- O BXS018 (3 x D Battery Holder Sealed)

// General Information:

Product Display Title: D/R20 Sealed Flanged Panel Mount Battery Holders For 1-3 Cells, IP67

Product Family: Rated

Battery Holders

Product Series:Front Panel Sealed to IP67Battery Holder Type:Bayonet Cap With Finger Grip

Battery Type: D/R

Body Material: Nylon 66 - Glass Filled/Polyester (PE)
Flamability Rating: UL94V-0

Flamability Rating: UL94V Ip Rating: IP67
Max Operating Temperature: +70°C

Min Operating Temperature:-30°CNumber Of Cells:1 CellPin Layout Code:A CodeRohs Compliant:Yes
