|-----------------------------|-------------------------------------------|
| Product Display Title:      | Vertical Power Entry Module 58.9mm/72.3mm |
| Product Family:             | IEC Connectors                            |
| Product Series:             | Power Entry Modules                       |
| Current Max:                | 10A                                       |
| Filter Type:                | Unfiltered                                |
| Function:                   | C14 Inlets                                |
| Fuseholder Inlet Type:      | Integral Single Fused                     |
| lec Connector Components:   | None                                      |
| lec Connector Mates With:   | PF0011                                    |
| lec Filter Options:         | Unfiltered                                |
| lec Vertical Module Height: | 58.9mm                                    |
| Inlet Type:                 | C14 Cold Condition Inlet                  |
| Switch Type:                | Single Contact                            |
| Voltage Max:                | 250V                                      |

## Power Entry Modules product data
