

**Product Name // Vertical Power Entry Module 50.8mm C14  
Cold Condition Inlet (PX0575) 6.3mm Tab Termination A0110  
Filter (1A PS01/A L/C v1) DX0928/110V/Red Indicator  
VS0001 Voltage Selector**

 [View Product Page](#)

BZV03, BZV04/\*\*\*\*\*/\*\* A = 62.5 With Filter,  
39.0 Without Filter.  
BZV05, BZV06/\*\*\*\*\*/\*\* A = 39.0.  
Panel Thickness. 1.0, 1.5, 2.0, 3.0mm.

## // Product Description:

- |                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

**// General Information:**

|                             |                                           |
|-----------------------------|-------------------------------------------|
| Product Display Title:      | Vertical Power Entry Module 50.8mm/78.7mm |
| Product Family:             | IEC Connectors                            |
| Product Series:             | Power Entry Modules                       |
| Current Max:                | 1A                                        |
| Filter Type:                | 1A PS01/A L/C v1                          |
| Function:                   | C14 Inlets                                |
| lec Connector Components:   | VS0001 Voltage Selector                   |
| lec Connector Mates With:   | PX0575                                    |
| lec Filter Options:         | A0110                                     |
| lec Neon Colour:            | DX0928/Red                                |
| lec Vertical Module Height: | 50.8mm                                    |
| Illumination Voltage:       | 110V                                      |
| Inlet Type:                 | C14 Cold Condition Inlet                  |
| Voltage Max:                | 250V                                      |
