**Product Name // DX14LR110N 14mm Panel Cutout**  
**Diameter Vandal Resistant Indicator**

**// Product Description:**

- |                                                                                                  |                                                                                                         |
|--------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
|  DX Series      |  Red                   |
|  14mm Diameter |  110V                 |
|  Solder Lug   |  Nickel Plated Brass |

**// General Information:**

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| Product Display Title:           | 14mm Panel Cutout Diameter Vandal Resistant Indicator |
| Product Family:                  | Indicators                                            |
| Product Series:                  | Vandal Resistant Indicators                           |
| Bezel Finish:                    | Polished                                              |
| Body Colour:                     | Nickel                                                |
| Body Material:                   | Brass                                                 |
| Body Material Type:              | Metal                                                 |
| Diameter:                        | 16mm                                                  |
| Dielectric Withstanding Voltage: | 1500V                                                 |
| Function:                        | Vandal Resistant Indicator                            |
| Illumination Colour:             | Red                                                   |
| Illumination Voltage:            | 110V                                                  |
| Indicator Profile:               | Flat-round                                            |
| Insulation Resistance:           | ≥100MΩ(500VDC)                                        |
| Ip Rating:                       | IP67                                                  |
| Material Finish:                 | Nickel plated                                         |
| Max Operating Temperature:       | 55°C                                                  |
| Min Operating Temperature:       | -25°C                                                 |
| Max Panel Thickness:             | 6mm                                                   |
| Panel Cut Out:                   | 14mm Diameter circle                                  |
| Rohs Compliant:                  | Yes                                                   |
| Shock Resistance:                | IK06                                                  |
| Thread Size:                     | M14 X 1                                               |
