MC22LCSGR Datasheet

bulgin
an INFINITI brand
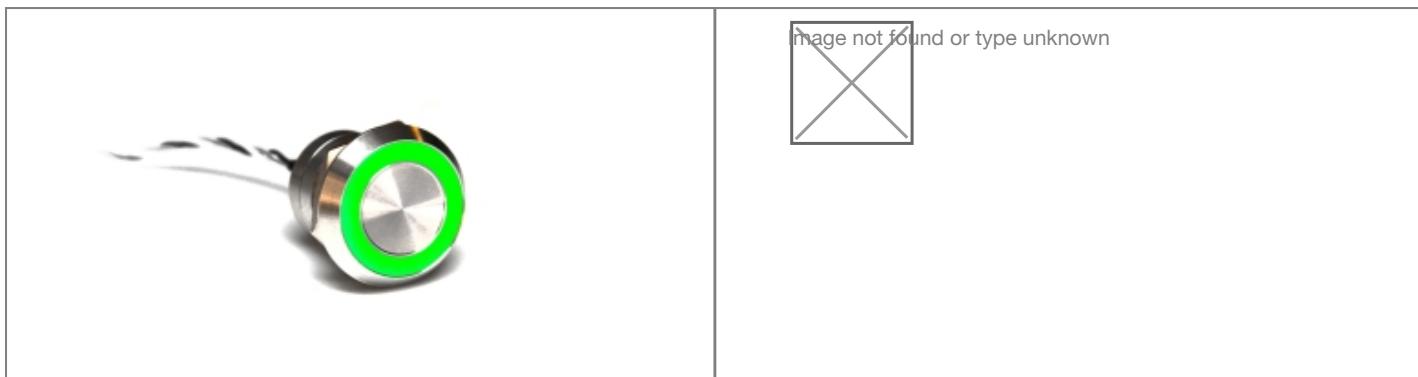

Product Name // Capacitive switch, 22 mm, Normally Closed ,Stainless Steel ,Natural ,Green & Red LED ,12 VDC

View Product Page

Image not found or type unknown

// Product Description:

- Capacitive Swithes
- 16, 19, 22 and 25 mm diameter options
- Water and dustproof to IP68
- Illumination options available include:
- Green
- Red
- Amber
- Green then Red
- Red then Green
- Momentary or Latching
- Normally Open or Normally Closed
- Stainless Steel or anodised aluminium

// General Information:

Product Display Title:	Capacitive Swithes
Product Family:	Switches
Product Series:	Capacitive Switch
Cable Length:	300mm
Current Max:	0.015A
Function:	Normally Closed
Illumination Colour:	Green & Red
Ip Rating:	IP68
Max Operating Temperature:	+55°C
Min Operating Temperature:	-25°C
Switching Type:	Latching
Voltage Max:	12V
