## MP22DLRINRG012S5 Datasheet

## Product Name // MP22DLRINRG012S5 Ring Illumination Vandal Resistant Switch

Wiew Product Page

## // Product Description:

MP22 Range

O DPDT

C Latching

Diameter:

O Ring Illumination

O 12V

O Stainless Steel

P65

22mm

## // General Information:

Product Display Title: Ring Illumination Vandal Resistant Switch

Product Family: Switch Range

Product Series: Vandal Resistant Switches
Is Vitalis: No

Bezel Finish:MachinedBody Colour:Stainless SteelBody Material:Stainless Steel

Body Material Type: Metal
Current Rating: 5A 250V

Dielectric Withstanding Voltage: 1500V

Durability: 50,000

Function:
Push Button Switch
Illumination Colour:
Green
Illumination Shape:
Ring
Illumination Voltage:
12V

Ip Rating:IP65Lamp Type:LEDMaterial Finish:MachinedMax Operating Temperature:55°CMin Operating Temperature:-25°C

Min Operating Temperature:

Max Panel Thickness:

Operating Humidity:

45~85 RH(Non condensing)

Panel Cut Out:22mm Diameter circleRohs Compliant:YesSwitch Body Colour:Stainless SteelSwitch Body Material:Stainless SteelSwitch Button Colour:Stainless SteelSwitch Button Material:Stainless Steel

Switch Button Material:Stainless StSwitch Circuit:DPDTSwitch Series:MP22Switch Shape:RoundSwitch Type:PushbuttonSwitching Type:LatchingThread Size:M22
