MP22DLRINRG024S5 Datasheet

Product Name // MP22DLRINRG024S5 Ring Illumination Vandal Resistant Switch

Wiew Product Page

// Product Description:

MP22 Range

O DPDT

C Latching

Ring Illumination

Green 24V

240

O Stainless Steel

O IP65

// General Information:

Product Display Title: Ring Illumination Vandal Resistant Switch

Product Family: Switch Range

Product Series: Vandal Resistant Switches
Is Vitalis: No

Bezel Finish:MachinedBody Colour:Stainless SteelBody Material:Stainless Steel

Body Material Type: Metal
Current Rating: 5A 250V

Diameter: 22mm
Dielectric Withstanding Voltage: 1500V

Durability:50,000Function:Push Button SwitchIllumination Colour:Green

Illumination Shape:RingIllumination Voltage:24VIp Rating:IP65Lamp Type:LED

Material Finish:MachinedMax Operating Temperature:55°CMin Operating Temperature:-25°CMax Panel Thickness:8mm

Operating Humidity: 45~85 RH(Non condensing)
Panel Cut Out: 22mm Diameter circle

Rohs Compliant: Yes
Switch Body Colour: Stainless Steel
Switch Body Material: Stainless Steel
Switch Button Colour: Stainless Steel

Switch Button Material:Stainless SteelSwitch Circuit:DPDTSwitch Series:MP22Switch Shape:RoundSwitch Type:PushbuttonSwitching Type:LatchingThread Size:M22
