**Product Name // 8 Contacts Male Standard Rectangular Grey Connector - PEC**

**// Product Description:**

- 8 Contacts Male Standard Rectangular Grey Connector - PEC
  - Protective End Cap (PEC) Included
  - Water and dustproof to IP68 when mated with compatible connector
  - Mate with PX0101 Series, as appropriate
- Wedgelocks provided
  - Crimp Terminals
  - Mechanical Cycles = 100 (min)
  - Operating Temperature = -25°C to +120°C

**// General Information:**

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Product Display Title:     | 8 Contacts Male Standard Rectangular Grey Connector - PEC |
| Product Family:            | Rectangular Connectors                                    |
| Product Series:            | Standard Rectangular Connectors                           |
| Body Colour:               | Grey                                                      |
| Body Material:             | Polycarbonate/Polybutylene Terephthalate (PC/PBT)         |
| Body Material Type:        | Plastic Body                                              |
| Contact Type:              | Socket Contact                                            |
| Coupling Type:             | Snap-in                                                   |
| Current Max:               | 13A                                                       |
| Ip Rating:                 | IP68                                                      |
| Max Operating Temperature: | +120°C                                                    |
| Min Operating Temperature: | -40°C                                                     |
| Number Of Contacts:        | 8 Contacts                                                |
| Voltage Max:               | 250V                                                      |
