| Product Display Title:          | M8 Series In-Line Overmould Flex Body Connectors |
| Product Family:                 | Circular Automation Connectors                   |
| Product Series:                 | M8 Series                                        |
| Approvals:                      | CSA, ENEC, VDE                                   |
| Body Material:                  | PVC                                              |
| Cable Length:                   | 1m                                               |
| Contact Type:                   | Plug Contact                                     |
| Coupling Type:                  | Screw                                            |
| Current Max:                    | 1.5A                                             |
| Diameter Over Coupling Ring Mm: | 12.5mm                                           |
| Function:                       | Inline Connector Single Ended Cable              |
| Ip Rating:                      | IP67                                             |
| Max Operating Temperature:      | +80°C                                            |
| Min Operating Temperature:      | -25°C                                            |
| Number Of Contacts:             | 5 Contacts                                       |
| Pin Layout Code:                | B Code                                           |
| Rohs Compliant:                 | Yes                                              |
| Sheath Material:                | PVC                                              |
| Thread Size:                    | M8 x 1                                           |
| Voltage Max:                    | 30V                                              |
