

**Product Name // M12 Series A Code PVC Overmould Flex  
Body Cable Connector 3 Contact Socket Pre-Wired With  
15M PVC Jacket Cable**

[View Product Page](#)

### // Product Description:

- ⊞ M12 Series Overmould Flex Body Connectors
- ⊞ Water and dustproof to IP67 when mated with compatible connector
- ⊞ Socket only
- ⊞ 3, 4, 5, 8, 12 Contact (3, 8, 12 Contact are A Code, 4 Contact are choice of A Code or D Code, 5 Contact are choice of A Code or B Code)
- ⊞ Overmould cable Termination with choice of lead lengths and choice of PVC or PUR jacket cable, depending on part code
- ⊞ Choice of Sealing Caps available separately to maintain IP rating of unmated connectors
- ⊞ Mate with M12 Series Inline Body and Panel Mount Connectors

### // General Information:

|                                 |   |
|---------------------------------|---|
| Product Display Title:          | M12 Series Overmould Flex Body Connectors |
| Product Family:                 | Circular Automation Connectors            |
| Product Series:                 | M12 Series                                |
| Body Material:                  | PVC                                       |
| Cable Length:                   | 15m                                       |
| Contact Type:                   | Socket Contact                            |
| Coupling Type:                  | Screw                                     |
| Current Max:                    | 4A  |
| Diameter Over Coupling Ring Mm: | 20mm                                      |
| Function:                       | Flex Connector Single Ended Cable         |
| Ip Rating:                      | IP67                                      |
| Max Operating Temperature:      | +80°C                                     |
| Min Operating Temperature:      | -25°C                                     |
| Number Of Contacts:             | 3 Contacts                                |
| Pin Layout Code:                | A Code                                    |
| Sheath Material:                | PVC                                       |
| Thread Size:                    | M12 x 1                                   |
| Voltage Max:                    | 250V                                      |
