## // Product Description:

- |                           |                                         |
|---------------------------|-----------------------------------------|
| ⬡ Material=Metal          | ⬡ Operating Temperature= -25°C to +85°C |
| ⬡ Pins=4                  | ⬡ Contact Resistance=5?                 |
| ⬡ Max Rating=60Vac        | ⬡ Insulation Resistance=>100M?          |
| ⬡ Ingress Protection=IP67 | ⬡ Mechanical Cycles=100 (min)           |

## // General Information:

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Product Display Title: | M12 Series In-Line Overmould Flex Body Connectors |
| Product Family:        | Circular Automation Connectors                    |
| Product Series:        | M12 Series                                        |
| Body Material:         | TPU                                               |
| Contact Type:          | Plug Contact                                      |
| Number Of Contacts:    | 4 Contacts                                        |
| Sheath Material:       | PUR                                               |
