

## Product Change Notification

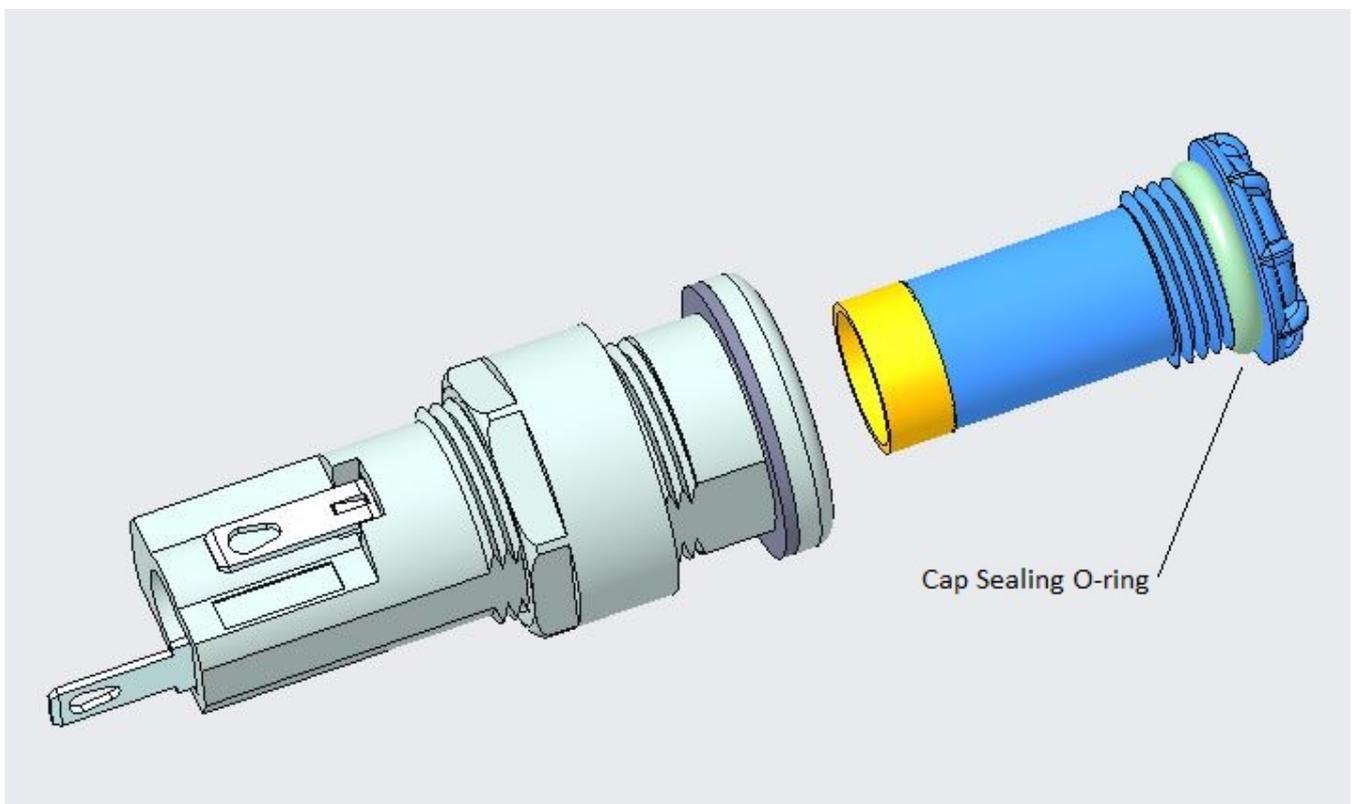

**BU-018568-SL**

**Issue Date : 23 August 2019**

Dear Valued Customer,

Due to our ongoing product improvement and reliability program, it is now proposed to up issue FX0462 in line with this. These changes include a change of o-ring as detailed below. Up issuing the current part number and not creating a new part number means that this will also eliminate the requirement for our customers to update their approval files and associated costs.

Affects part numbers: FX0462

### **Current O-ring**

Dimensions – ID 7.65mm, Section 1.63mm, 70 shore Nitrile.

### **New O-ring**

Dimensions – ID 7.66mm, Section 1.78mm, 70 shore Silicon.

If you have any questions about this change, please do not hesitate to contact your local sales representative or authorised distributors.
